Grape & Origin

Rizling Rýnsky is the Slovak name for Rhine Riesling. It is grown by Chowanec & Krajčírovič in Svätý Jur, where winemaking has been documented since 1270 — before the Netherlands existed as a nation.

Terroir

The vines sit on limestone soils, ripening slowly under a cool continental climate. The grapes are picked later than usual, trading some early acidity for depth and aromatic intensity, without tipping into a dessert wine.

Tasting Notes

Peach blossom and linden flower on the nose, with a fine mineral thread carrying through to the finish. Precise rather than sweet, with orchard fruit and bright acidity. Serve lightly chilled, around 8–10°C, in a standard white glass.

Food Pairing

Seafood, roast poultry and aged cheeses.
